

## FAITHFUL

I am so excited and thrilled to know that our good Lord requires from His people especially those to whom He has entrusted the ministry of His Word to be faithful. Paul teaches us, “Moreover it is required in steward, that a man be found faithful.” (I Corinthians 4:2).

Whatever work God has called us to do, we should be doing that faithfully. He does not want us to be successful in the field which He has called us but to be faithful. Not looking to anyone and comparing ourselves with them and trying to follow to do their type of work in order to become more successful in the work of God. To be faithful is the key for achieving the purpose for which our good Lord has called us.

So many ministers of God they start very good. Their beginning is very excellent but somewhere in the middle they fail miserably because they just divert their focus from their target to be faithful in the field God has called them to and try to imitate others.

We should walk in submissive obedience towards the Lord and towards other under whom our good Lord has put us. That is the place where we receive guidance, blessing and anointing too.

We need also to realize that our good Lord when He called us He has entrusted to us His **resources, responsibilities and His gifts**. And as a steward we must manage these things faithfully.

### WE ARE TO BE FAITHFUL MAINLY IN:

- 1) Prayer : Romans 12:12
- 2) Showing love (Agape) to others : 3 John 1:5
- 3) In our witness : Rev. 2:13

May our good Lord continue to bless you and your family. Prema and I love you so dearly and pray for you daily. Write us for we love to hear from you!

Remember **Jesus is Lord** and take with you **the Word of God and Faith**, excellent traveling Companions.  
(Psalm 119:105; II Corinthians 5:7)
