GOD'S OWN HANDIWORK

It is so wonderful to know that we need to decrease, gradually fade away in order Jesus Christ to increase and be magnified in and through our lives. The ultimate purpose of this process is to finally **get all glory to God** and **we become blessed** in the sight of God and of course in the sight of others too!

This happens very systematically when we spend quality time in intimate fellowship with our Heavenly Father. You see this is the **PLACE** where you and I when we go there on regular basis get the direction for our lives and we increase in the knowledge of the Lord with all wisdom and spiritual understanding, (Colossians 1:9). At this place when we increase in the knowledge of the Lord then our existence disappears and He is been magnified! We of course receive a wonderful title in this process and that is **A BLESSED ONE!**

BLESSED PERSON:

1) He ACKNOWLEDGES THE LORD in all his ways (Proverbs 3:6)

(Walking worthy of the Lord unto all pleasing, Colossians 1:10)

2) He works with God as CO-LABORER (I Corinthians 3:9).

(Being fruitful in every good work, Colossians 1:10).

Blessed person is always led by the Holy Spirit. Holy Spirit will respect the Word of God and only operate based on the Word of God in leading others. When the Holy Spirit leads a particular person to partner with a particular ministry that person only will give his 100% support to the head of that ministry and will work in agreement and walk in transparency. He will never avoid the local ministry head and work indifferently but will respect him in every decision he takes and will never cause discord in the ministry. He will be a blessing to the ministry as a whole and not cursing!

Blesses person will not retaliate or take revenge when he is mistreated or exploited, humiliated, insulted but he will be still very submissive to the authority whether evil or godly. The person who is blessed in the sight of God is always stand for the truth and he will never compromise with that which is not according to the Word of God. And hence he will be targeted and will be a prey of the partiality and will suffer under ungodly authorities quietly and not complain or murmur but leave everything to God to judge.

God wants you and me there at the place of intimate fellowship with Him all the time so that He may equip and fill us with Him and when you and I go out and while dealing with the challenges which come on our way He may see His Son in and through us in our daily walk. As we submit ourselves to Him and He is pleased to take control of our lives and fights our battles for us!

Our loving and caring heavenly Father wants you and me to that place to have intimate fellowship with Him so that He may showers His overflowing blessings on us with only one desire to make us **a blessings** for others! In fact we are **(Blessed people) God's Workmanship, a unique piece!** "For we are His workmanship created in Christ Jesus unto good works, we God had before ordained that we should walk in them" (Ephesians 2:10).

May our good Lord bless you richly! Prema and I love you so dearly and pray for you. Write us for we love to hear from you all!

Remember **Jesus is Lord** and take with you **the Word of God and Faith**, excellent traveling Companions
