LOVER OF MY SOUL

The love of God is very personal and intimate. This love of God cannot be compared with the love of human. This love is fully seen in the life of Jesus. Jesus loves everyone and He came for me! What a blessed thing to know this!

We see that we look for love! We are thirsty for the love which is unconditional and without any wrong motives. We sometimes look love in wrong places. There is perfect love with Jesus. He only loves us with perfect motives/ His love is so great! He is always there waiting for us and offers His love to us.

Jesus always thinks best for us and does not intend to harm us, "For I know the thoughts that I think, toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end" (Jeremiah 29:11). He loves us and cares for us that does not mean that He compromises with our sin, he always accepts us as we are. He gives us freedom to choose but guides us to choose that which is good and not evil.

Do you know that Jesus has emotional connection with us? He is All-sufficient God and longs for our love and He is not at all at rest till He finds it. He willingly got attached with us from the beginning because He first loved us, "Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins" (I John 4:10).

Jesus Christ is the true lover of our souls. True love always gives. Jesus showed his true love toward us by dying on the cross for us, he paid the great price of his very Blood for us. regardless of the price. Jesus does not want to leave us nor forsake us. His love always pursues us!

The love of Christ has only one motive and that is to lift us up! He came to this earth only for us, for me, to lift me up, to give me that which I lost. He made a covenant with me just to lift me up. And because of his covenant with me he died for me on the cross, paid my debt and redeemed me and gave me a place in his family and made me sit together with him in heavenly places! What a wonderful love of God which is unselfish, unconditional!

Jesus is the true lover of my soul!
