Ministry of Reconciliation

*“And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the **MINISTRY OF RECONCILIATION**” (II Corinthians 5:18).*

What a privilege we got in Christ! Our good God has counted us worthy for His service and entrusted us with great responsibility of winning the Lost souls and believed us that we would indeed co-operate with Him as His co-laborers in the ministry of reconciliation.

Saul once a persecutor of the church, a murder as he was zealous for his Jehovah God and got into the crusade of wiping out the followers of Christ thinking that they are the cult finally surrendered his life totally after the direct encounter with Jesus Christ himself for the mission of reconciliation of the lost souls.

It is always that the one who had personal encounter with Christ realizes that God is so good and agrees to actively get involved in the mission of reconciliation with God. I remember here about Andrews the brother of Simon as he understood that Jesus of Nazareth was the Son of God and the Lamb of God he followed him and stayed in Jesus` house for hours and realized and immediately rushed to his brother Simon and witnessed him about Jesus and told him that he found **the Messiah** (John 1:41). Samaritan woman at the well, after wonderful encounter with Jesus she left her water pot on the well and ran to the village and told them that she **found the Messiah** and whole village went to see Jesus on the well (John 4:28-30).

We realized that it is most important as follower of Jesus Christ to win the lost souls for Christ and get involved as co-laborer into God`s reconciliation mission. In these remote villages God is working amazingly saving the lost as we go around telling the good news of Jesus Christ. Here are few testimonies which will encourage your walk with Jesus the Lord. Read these testimonies and rejoice with us and we keep the heaven rejoicing!

1). Mrs. GOURI, (Female) 26 years old, married **From hill village BEDGULI**- 30 kilometers from our church. This dear sister with curiosity used to stand outside of the house where in this hill village our cell group is running. One day sister of the cell group invited her to attend the cell group and she heard the Gospel of Jesus Christ and gave her heart to Jesus. It is a simple faith in Jesus that made her life worth. Now she is regular to the cell group, and on Sundays she is regular for the worship service too. Pray for her husband who is still not saved.

2). Miss JYOTI, (Female), 18 years old, **from forest village PUNAJUR**, 10 kilometers away from our church. This young sister`s father is a watchman in the forest, 3 years back he received Jesus Christ into his heart as his Savior and Lord and by observing her father`s changed life and regular reading the Word and prayer and going to the church made her to think and finally she gave her life to Jesus. She is very regular to the church with her father and regular to her village cell group too. Please pray for her as she attends the baptism class.

3). Mrs. SIDDAMMA, (Female), 30 years old, **from hill village BEDAGULI**. 30 kilometers away from our church. This sister when she used to get after couple of months pregnant was always used to get baby aborted and was in great turmoil due to that. She was not able to understand the reason. She tried doctors, village country medicines, but in vain.. One of our senior widow believer about 60 years old, very zealous for the Lord, active in the cell group got water bottle and oil packed and got prayed over them and gave that anointed water to drink to that pregnant lady and applied anointed oil over her forehead and prayed in Jesus` name and miracle took place. This time the baby stayed in her stomach still and now she 7 months pregnant. Praise the Lord! This lady gave her life to Jesus and very regular the cell group and to the Church too. Pray for her as she attends the baptism class in her village.
