SEEK AND SAVE

“For the Son of man is come to seek and to save that which was lost” (Luke 19:10)

The peculiar characteristic of a person who gets lost in sin is that he cannot turn back by himself, but someone has to seek him/her. Our good Lord knows this very well and that is the reason He left His heavenly glory and came down seeking after us and saved us, restored us back to himself. And that is the reason Jesus told his disciples, “...All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit: teaching them to observe all things whatsoever I have commanded you.” (Matthew 28:18-20).

We are glad to tell you that Chris in us is seeking the lost in these remote forest and hills villages and saving them and we are proud to let you know that your partnership in this ministry of Talavadi brings fruit that remains. The persecution from the fanatics are rising in our place, even in the remote villages and hills, people are hungry for the Truth, and for the Jesus and His Word. The is adding new souls to our village churches for His Name`s sake as we commit ourselves into His hands daily! Here are some testimonies of salvation. For the safety sake we have not posted photograph here.
