ACTIVITY OF GOD

When we are in difficult situation and problems we get panic and worried, fearful and do not know what to do. We need to continue to trust the Lord by knowing this, "Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth" ((Psalms 46:10), and in His ability to save us.

Actually we need to always realize that the angels of the Lord are surrounded us all the time to protect us from all kinds of attacks, "The angel of the LORD encampeth round about them that fear him, and delivereth them" (Psalms 34:7).

There is very interesting event took place in the life of Prophet Elisha. He was telling the king of Israel about the secret plans of attacking on them. King Aram was so much worried as to who was the spy with him who tells detail information of his plan. Finally he knew that it was Elisha and he planned to kill him by sending his army which surrounded Elisha and his servant.

It was so difficult situation and Elisha`s servant was so afraid of the army of Aram, he became fearful and panic but Elisha was so calm and still in the Lord. Elisha prayed to the Lord, "O Lord, open his eyes so he may see." Then the Lord opened the servant`s eyes, and he looked and saw the hills full of horses and chariots of fire all around Elisha" (II Kings 6"17). And again Elisha prayed, "Strike these people with blindness" So He struck them with blindness, as Elisha had asked (II Kings 6:17-18).

It is always difficult for us to see what God is really at work in our lives because we are so much focusing on our problems and difficult circumstances. We need to be aware of one thing that God is at work in our lives to give us the victory and success in everything we are involved in for Him. In the difficult situation we need to ask God to help us to open our spiritual eyes to see what activity or work He is doing in our difficult situations.

Elisha was not only a Master of the servant but he was mentor as well. He helped him to see that God is always present in our lives and He is active in our lives. We need to just get our eyes opened to see that. We need someone as our mentor to help us see what God is already doing in our lives!

We thank you all for standing with us in your precious prayer-support to win the lost and established village churches where people can worship the Lord and learn His Word, walk in His love and live by faith!

May our good Lord continue to bless you! We love you and pray for you. Write us for we love to hear from you!

Remember Jesus is Lord and take with you the Word of God and Faith, excellent traveling companions. (Psalms 119:105; II Corinthians 5:7)
