BY ONE MAN

"12. Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned. 19. For as by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous" (Romans 5:12, 19).

What a Truthful statement by brother Paul!

How true it is, that by one responsible person's **disobedience** becomes a cause of total destruction of a family, community, and finally nations. Bible puts this statement in right form, **"By the disobedience of one person."** Yes, it is to say correctly that when we know certain things are good, appropriate to do and we do not do then it is **sin**, *"Therefore to him that knoweth to do good, and doeth it not, to him it is sin (James 4:17).*

It happens when a person comes under the influence of the evil one. When he or she hears constant negative things or ill about others, he comes under the influence of the evil one behind the rumors and reacts accordingly, not realizing what damage will it cost. *"Be not deceived: evil communications corrupt the good manners" (I Corinthians 1:33).* We wonder to see the strange behavior of a certain person, and what he does. He thinks that he does the right and just thing. The emotional damage is being done to the person against whom it is been done.

Once the words are slipped from our mouth they are like **"seed"** which brings forth fruit in due season. Words are like water in the glass, once you pour down the soil absorbs it quickly and you cannot take that water back if you at all want to be. They do not realize and do not want to say sorry for the damage they caused but they have so many excuses to justify themselves which is really unruly thing.

Horses can be controlled by putting bits in their mouths, ships can be turned anywhere by its small helm, but the tongue can no man tame. Read carefully what the Word of God, the Bible puts it in very correct words, *"But the tongue can no man tame; it is an unruly evil, full of deadly poison" (James 3:8).*

As a responsible born again, Spirit-filled, Christian we constantly must be led by the Spirit of God. So many Christians misunderstood the leading of the Holy Spirit and they very lightly use that phrase. We as responsible Christian ministers and believers need to walk in the wisdom and understandings of the Lord. Walking in love of Christ with everyone brings abundant blessings and if someone is in sin he/she will repent to see our Agape-love-walk, *"....not knowing that the goodness of God (walking in the love of Christ) leadeth thee to repentance?" (Romans 2:4).*

Someone said, "You can achieve great things by walking in love with other which great arm-forces or Nuclear power cannot achieve. And how true it is!

My beloved brother, my co-minister in the Lord's Vineyard, let us search our hearts in the light of the Word of God and the Holy Spirit and see if we are guilty of a same sin. If so then without delay let us confess it repent and ask the pardon of the Lord and He will pardon us and I assure us that He will restore that which was damaged by us and turn the damage into so beautiful things and help us to walk in the love of Christ! He is able!

May God bless you richly! Prema and I love you so dearly and pray for you. Write us for we love to hear from you
