Heart to Heart WITH GOD

FOOLISH THINGS

“But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty” (I Corinthians 1:27).

I was so glad to read this verse. While reading this verse the Holy Spirit reminded me another verses from the book of Isaiah 55:8-9, “For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.” Our God is All wise God!

Have you ever come across people who did and do some foolish things especially in the ministry? When we see this thing some of us we are angry and dislike them, some of us we look down on them with superiority complex. Some of us are still hypocrites, and proud in our hearts.

Joshua did great foolish things. God told him the plan to conquer the fortified city of Jericho and he followed it. It was so foolish plan in the sight of then wise people of the world? Many might have thought that plan would not work. The plan was to go around the city of Jericho for six days and on seventh day go again six times around the city and at seventh round shout loudly. Even though that plan was foolishness in the sight of world it worked greatly! (Joshua 6).

When Jesus saved my life, I fasted and prayed to seek the face of the Lord to know His will for my life? After that I told my dad God`s plan for my life that I should go to Bible College to study the Word of God and do full time ministry. My dad told me, “Foolish plan, this is not wise thing. You can be here work, support yourself and us and go around telling others about Jesus and be happy here. Need not to go so far and be there to preach the gospel. This is foolish thing.” It pulled me back for three months. But finally I left for the Bible College to Bangalore.

The foolish plan of God for my life according to my dad did work miracles. He equipped me in the Word, led me to the remote villages of Talavadi where there was not a single believer of Jesus Christ and now almost each and every villages there are people who worship the Lord.

Let us follow the plan of God even if it seems foolish in our sight. Let us agree and encourage the people whom God brought into our life with some foolish plans for the ministry and pray and help for them and God is able to do great and mighty things through our partnership in the lives of the lost, saving their lives! “Where is the wise? Where is the scribe? Where is the disputer of this world? Hath not God made foolish the wisdom of this world?” (I Corinthians 1:20).

May our good Lord continue to bless you and your families. Prema and I love you so dearly and pray for you daily! Write us for we love to hear from you.

Remember, **Jesus is Lord** and take with you **the Word of God and Faith**, excellent traveling Companions. (Psalms 119:105; II Corinthians 5:7).
