

GOD IS FAITHFUL!

"He who calls you is faithful, who also will do it" (1 Thessalonians 5:24 NKJV).

Our good Lord is the One who gives us the vision and provision comes from Him alone to fulfill that vision. He only sends the like-minded people who stand as a faithful partners in complete obedience to the Word of God.

He never makes any mistake. He gives us His love in our hearts for the lost souls even in these forest and hills. He empowers us and guides, leads to the proper place to share His Good News to these people. Almost all the hills are more than 1500 meter high. Up to certain spots the public transportation like bus which is not so frequently goes. And from there we need to just climb steep hills, walk through huge thick thorny bushes and monster like trees. It is very thrilling experience. But what a joy we get when we reached to those villages and when we get warm welcome and moreover when we see the villagers listen to the Word of God and accept Jesus Christ as their Savior and Lord!

The wounds on our legs, feet and deep scratches on our hands and faces which causes blood flow say, "Amen!", to see the lost souls are being saved right in the forest and hills villages. What a joy when we return back to our places we laugh and shout with joy, "thank you Lord for your faithfulness in saving souls and saving our lives too!"

We continue to remain grateful to the Lord for His goodness in our lives! We say "Thanks!" to you all who so faithfully stand with us in prayer and financial assistance! That is great help for all of us here and for our families. We are so encouraged by your love for us and for the lost souls of Talavadi region, I mean the lost souls of forest and hills` villages of Talavadi region!

PRAISE THE LORD FOR:

1). MR. RANGASWAMY age 55 years old, who was struck with paralysis and was on bed for several days. Some of the believer of that hill village took us to the house where Mr. Rangaswamy was and his wife **MRS. PARVATI** earnestly requested us to pray for her husband **MR. RANGASWAMY**. We prayed for him and shared the gospel and requested both of them to believe in the name of Jesus Christ! The wife of that man **MRS. PARVATI** said, "Yes, when your Jesus heals my husband I will believe!" After a week she was so surprised to see that her husband started sitting, standing and walking a little bit. She came running to us when we went there again. Praise the Lord she along with her husband accepted Jesus as their Savior and Lord and opened their house for cell group! All glory to God alone! (This village is 50 kilometers away from our mission base Talavadi. !0 kilometers we need to walk to get to this particular village).

2). Two young men by name **(a) Raju** and **(b) Madhaa** used to come and stand out side of the village house where we are having our cell group. These two young men work in the city and visit their village once in the month. One day as they were standing out side of the house they heard the "Word of God`s love for the lost." They were so convinced to hear the death of Jesus for the sinner on the Cross. They started asking so many questions and finally they both accepted Jesus as their Savior and Lord and they are attending the Baptism classes and soon will obey in the water baptism. Praise the Lord and all glory, honor to His Wonderful Name which above every name!

Thank you for standing with us in prayer-support! God bless you richly!
