GOOD NEWS FOR CHRISTIANS

"If the Son therefore shall make you free, ye shall be free indeed" (John 8:36).

"The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly" (John 10:10).

So beautiful and so comforting portion of Scriptures. We are promised total freedom in Christ and more abundant life too. But the question is, do we really **ENJOY** our Christian life in Christ?

Most of us are living very serious Christian life. Most of us are so reserved and act more spiritual and live under the tough rules and regulations I mean live their free life in some kinds of bondages. When I see some Christian people or even ministers they are so judgmental and live under some kind of presumptions and thus hold grudge and live very serious Christian life. How to enjoy our Christian life?

"He hath shewed thee, O man, what is good; and what doeth the LORD require of thee, but to do justly, and to love mercy, and to walk humbly with thy God" (Micah 6:8). Amos 3:3, "Can two walk together except they be agreed?" Walking "together" gives idea of two people moving in rhythm together. But it is not about getting God into rhythm with us; **it is getting ourselves into rhythm with Him. That is what it means to walk with God.**

AND MORE SPECIFICALLY ENJOYING OUR CHRISTIAN LIFE IS TO:

1) Leave our yesterday behind: We must learn not to dwell on our past and instead of grieving about our past we should be thankful to God for bringing us to the present place where we are now and God has not done with us yet. (Isaiah 43:18-19).

2). Do not worry about tomorrow: Surely it is wise to prepare for our future but certainly it is not to fret or worry about it. Even if we do our best for our future we certainly do not know what the future holds. We should live to please God day by day doing our best to please Him in the present, and casting all our cares, hurts and future worries on Him because He cares for us (I Peter 5:7; Psalms 55:22).

3). Live every moment for the Lord: After we let go our past and cast our future worries on the Lord, then what is left for us to do? Enjoy the PRESENT, living every moment for the Lord! We are all privileged to do that.

Jesus knows that our past and even our future will ruin our PRESENT life. It is His will that we should ENJOY our PRESENT LIFE IN HIM ABUNDANTLY. "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God" So let us obey the Word of God and ENJOY our PRESENT Christian life in Him fully!

May our good Lord continue to bless you and your families. Prema and I love you so dearly and pray for you daily. Write us for we love to hear from you.
