

## GRATEFUL HEART

“14. And when he saw them, he (Jesus) said unto them, go shew yourselves unto the priests. And it came to pass, that, as they went, they were cleansed. 15. And one of them, when he saw that he was healed, turned back, and with a loud voice glorified God. **16. And fell down on his face at his feet, giving him thanks: and he was a Samaritan**” (Luke 17:14-16).

One day Sunday in the Talavadi church after worship meeting was over and the prayer time for the needy I just sat on my chair. One young Gypsy sister came close to me, held my hand tight and said, “Pastor, I want to thank the Lord for answering your prayers for me and for my family.” And further she said, “God has heard your prayers for me and for my family. God gave us His protection and provision. blessed us abundantly.” I could not control my tears and shook her hand and thank the Lord for His goodness and faithfulness.

In my 45 years of ministry life I have seen many people who received miracles from the touch of the Lord Jesus Christ **RETURNED BACK TO THANK GOD. Our good Lord Jesus Christ deserves all glory and honor, praise and worship!**

I remembered this Samaritan leper man along with other nine leprosy people on their way to the pries to show themselves as commanded by Jesus of Nazareth. And as they were on their way they all were being healed, But only one Samaritan man, he turned back, glorified God with loud voice and fell on Jesus` feet and thanked him for his healing from the leprosy (vs. 15-16). Hallelujah!

One blind man sitting on way side to Jericho begging was healed by the Jesus of Nazareth as he cried to him for receiving his eye sight (Luke 18:35-43). In last verse it said that that blind man after receiving his sight glorified God and followed Jesus. Hallelujah!

There are so many people in the Bible who received their miracle from Jesus Christ who glorified God and followed Jesus. At present age also Jesus Christ is active in saving and healing needy people and we see that most of them giving their testimonies and glorifying God and some of them serving the Lord!

Today I would like to share some testimonies from our ministry fields for your encouragement and rejoicing with them and with us:
