MY LORD AND MY GOD!

There is no doubt at all that Jesus Christ is MY LORD AND MY GOD! I did not sought Him but He sought me and saved me!, "For the Son of man is come to seek and to save that which was lost" (Luke 19:10). I so privileged that He counted me worthy to have permanent relationship with Him through His precious shed Blood on the Cross of Calvary!

He gave me so many precious promises and made me His inheritance of all! And I take this opportunity to declare that "I am the righteousness of God in Jesus Christ!" (II Corinthians 5:21). I walk in His health and healing, I am healed by the stripes of Jesus Christ! I walk in His favor! I am covered under the Blood of Jesus Christ! The most important thing is that when I cried to Him, He has sent His Word and healed me from my sicknesses and delivered me from all the troubles! (Psalms 107). "But what saith it? The Word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach" (Roman 10:8).

First of all I am so grateful to the Lord for His help and for His healing me from my sickness. Secondly I thank all of you especially those who prayed from me and contributed towards my gall bladder operation which was indeed so costly, nearly 5500 U. S. dollars (Five thousand five hundred dollars only) were spent towards the operation for two weeks stay in the hospital including all the investigations, CT scannings and blood tests and so on. I was 10 days admitted prior to the operation for settling down some other health issues. Did endoscopy and removed one stone which was stuck in the duck. And after six weeks again they admitted me and got operated the operation was successful. All glory to the Name of the Lord Jesus Christ!

When I was there for nearly two weeks I was only confessing the Word of God pertaining to my healing and I did know that all of you all around the world also were praying and confessing the Word of God for my healing and I thankful to you all for that! While reading His Word He gave me couple of promises from His Word in the hospital. **1).** "I have seen his ways, and will heal him: I will lead him also, and restore comforts unto him and to his mourners" (Isaiah 57:18). **2).** "For I will restore health unto thee, and I will heal thee of thy wounds, saith the Lord; because they called thee an Outcast, saying, this is Zion, whom no man seeketh after" (Jeremiah 30:17). **3).** And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you" (Joel 2:25). **Yes HE IS MY LORD AND MY GOD!**

On 30th April the Sunday we gathered together with all other believers in our house and had the **THANKSGIVING SERVICE** thanking the Lord for His healing and successful operation. That was very blessed time of fellowship celebrating God`s goodness and faithfulness in our lives!

Please continue to pray for my complete recovery as I am at home and after one month I will have to again see the surgeon. The first thing I would like to do is go back to Talavadi and repair the bore well at the land. Get the enough water. Start constructing baptism tank, and small temporary church building where believers can come regularly and attend the worship meeting on Sundays and new believers can take their water baptism, we can hold our Bible school classes there too.

I do request all of you my dear brother and sister in the Lord that please agree with me in prayers for these most urgent needs of bore well repair, construction of baptism tank and construction of small shed for worship service at the land. Any prayerful contribution towards these needs are great in the sight of God and He will multiply them and provide the enough funds to complete these works at the land. To complete these three works we need U.S. dollars 3000:00 (Three thousand dollars only).

Remember **Jesus is Lord** and take with you **the Word of God and Faith,** excellent traveling Companions. (Psalms 119:105; II Corinthians 5:7).
