## Power of hand

"Withhold not good from them to whom it is due, when it is in the power of thine hand to do it" (Proverb 3:27).

I do believe that some of us need to get this verse deep down in our hearts. As I am writing this verse I feel that some of us need to be repented of this sin which was already committed by some of us and purposely ignoring it.

Bible tells us one more verse, "Therefore to him that knoweth to do good, and doeth it not, to him it is sin" (James 4:17).

Why God gives someone abundant blessing? With one purpose that He knows that by doing this His children will walk in love with each other and lift up each other by helping them and hence the world will know that they all are His children! We say **care** for each other but we seldom **share** with each other. The one who walks **in the unconditional love of Christ** will not only **care** but will **share** too! And specifically above mentioned the first verse says that, "**Withhold not good from them to whom it is due, when it is in the power of thine hand to do it**" This involves **Care and Share** ministry too.

I know personally and have experienced that some of the Indian ministries have destroyed by not doing this things by some missionaries when it was in the power of their hands to lift up that ministry by just obeying the Lord's Word! But they walked in the **presumption** and allow themselves to become a prey to our enemy the devil. I know some ministry in India that since more than 10 years it suffers and tries to get restored back due to the this kind of behavior of some most responsible people. God forbid, that as soon as we realize that we have committed this kind of sin, we must instantly repent and start doing what our good Lord told us to do with that ministry which was destroyed because of our waling in **presumption** towards it.

I have seen how the very chosen of the Lord are deceived by the enemy. They think that by doing such a kind of thing they are following the leading of the Holy Spirit. They take it the leading of the Holy Spirit for granted. They believe the gossip of the subordinates of that particular ministry and think that injustice is being done to the subordinate and take a drastic step to support the subordinates and not to do good which is due for that ministry and thus divide, and destroy it. What a pathetic condition they are in! May our good Lord have mercy on them!

We are told to jus OBEY. Walk in love of Christ, never to give ears to gossip. **There are always unsatisfied souls there in almost every ministry.** We need to be faithful to the ministry with whom we are led by the Holy Spirit to partner. God will bless you and that ministry and you will see that God will work wonders through your obedience and faithfulness to that particular ministry!

Look what the Word of God says, "We are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them" (Ephesians 2:10).

May our good Lord help us to understand this truth and walk in it. Prema and I love you so dearly and pray for you daily! Write us for we love to hear from you!

Remember Jesus is Lord and take with you the Word of God and Faith, excellent traveling Companions. (Psalms 119:105; II Corinthians 5:7).
