

REWARD FOR WAITING ON THE LORD

Spiritually speaking each born again child of God will have their challenges like mountains. Children of God and especially ministers of God always encounter obstacles in their lives, but with God's help and strength we can overcome our mountain-challenges no matter how difficult they are.

Most of us, we feel that we are not strong enough to face our life-challenges. We can learn very important lesson from the life of Caleb. Let us see about Caleb more. We all know the story of sending spies to observe the Promised land and out of 12 spies 10 gave very heart-melting result that we could not conquer the land but Joshua and Caleb gave very positive report and said, "By the help of God we can conquer the land" (Numbers chapter 13 and 14).

We can see that the confidence of Caleb never ceased (Joshua 14:10). Forty-five years later Caleb declared that even at 85 he was still enough to capture the land. **Of course, he placed his confidence in God**, just as he did 45 years back. He could remember God at the Red Sea and His provision in the wilderness. Even after the wilderness wanderings, he was determined to place his confidence in God's power to see him through. Caleb's faith in God was not shaken by circumstances. Caleb moved forward and Climbed Mountains, we, too, must express our confidence in God and His ability to give us victory.

Secondly, Caleb's strength never failed (Joshua 14:11). Caleb had been through the difficult days of the desert. As a result, he had an unparalleled strength. Difficult times strengthen us as we trust God. We lose the fear that comes from hard times because we know that God has previously seen us through hard times. Caleb had witnessed the parting of the Red Sea, the fall of Jericho, the return to Ai; **he was determined to stand in the strength of his God.**

Reward for waiting of God (Joshua 14:13), "And Joshua blessed him, and gave unto Caleb the son of Jephunneh Hebron for an inheritance."

Because of his willingness to tackle the tough territory, Caleb had enough for himself and his descendants. The benefits of his mountain climbing poured over into the lives of those around him.

When a believer faces a mountain and climbs to victory, his or her life is a blessing to others. God can allow the challenges, hurts, or heartaches in our lives to touch the lives of others. (Experience personally and see). **Jesus walked up the mount to Calvary to bring all of us into victory in Him.** He has freely offered that gift of life to all who call on Him. Therein lies the power to climb the mountains of life!

Impossibilities will become possibilities for us who has absolute trust in God. We may face some challenges, but the ever-strong God will come to our aid. Our God Almighty will not allow His children who cast their confidence in Him be put to shame.

May our good Lord continue to bless you and your families during this tough time such as this!
