WONDER WORKING GOD

“And he said, the things which are impossible with men are possible with God” (Luke 18:27).

“And Jesus looking upon them saith, with men it is impossible, but not with God: for with God all things are possible” (Mark 10:27).

“Jesus said unto him, if thou canst believe, all things are possible to him that believeth” (Mark 9:23).

“The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance” (II Peter 3:9).

All these verses tell us that God is in business of saving and restoring the lost back to Himself when we make ourselves available for Him. And how wonderful it is to know that it is not God's will that any one should perish but that all should be saved and restored back to Himself!

We are grateful to the Lord for His guidance and leading in these forest and hills. We do obey Him and go to these remote villages with the Good News of the Lord and He does His job for saving the lost right in these remote villages. He only does this and not we! And we are happy to know that you our most precious partners in the ministry stand with us in prayer-support. We are thankful to you for your love and dedication in praying for us.

WONDERFUL MIRACLE

This person Mr. Mahadeva has experienced great miracle of God in his life. We all are witness for that. He was healed miraculously from the choked throat. He was not able to swallow anything neither speak a word and could not breath properly. Instead of going to the doctor which was not possible since he is staying on the top of hills and far away from the reaching hospital soon. He was brought to the Talavadi church and was prayed over and as soon prayer finished he went to deep sleep since he could not sleep for week. After two hours or so when he got up one glass of water with prayer given him to drink and miraculously he drank the water within in one shot. He said he was hungry and food was given to him and he did eat the food without any pain in the throat and with rejoicing and praising the Lord he went but before that with tears he accepted the Jesus as his personal Savior and Lord! Praise the Lord, that God is at work right in these forests and hills.

MIRACLE CHILD

This child is the great miracle of God. The mother of this child has couple of miscarriages. And they did not know what to do. They tried their best to visit black magic man and visited different temples and made their request known to different priests for saving the miscarriage but could not see any result. Some who had experienced the touch of God in his life shared the Good News of Lord Jesus to the couple and they believed Jesus. They came to Talavadi when **Pastor Rick Blaisdell, Chester, USA** was here in Talavadi and he prayed over for them in Jesus of Nazareth Name that they would get a handsome male child. And just after a month God answered the prayer and she got conceived and again came for the prayer and we prayer over her and she did not have miscarriage and this child was born miraculously. He is healthy! All glory to God alone! He is at work in these forest and hills indeed! Praise to His Holy Name which is above every name!

Indeed our God is at work in these forest and hills` villages. There are many who accept the Jesus as their Savior and Lord. We give all glory and are grateful to our good God for you all who stand with us in consistent prayer-support for this remote village outreach mission of Talavadi, India. May our good Lord continue to bless you our beloved prayer partners in the Lord's work!

DIVINE CONNECTION

PASTOR RICK BLAISDELL

In the year 1998 our good God has wonderfully connected us with the Renewed Life In Jesus' Church, Chester VT. USA. We believe this is the Divine connection. Pastor Rick Blaisdell is the wonderful man of God with an unconditional love of Christ and passion for the lost souls and for the foreign missions. He and the Church at Chester have been standing with us in everything the Lord has led us to do for Him in these remote villages of the forest and hills of Talavadi, Tamilnadu, India. We thank Pastor Rick and the Church and we love them and always pray for them for standing with us with their valuable prayer-support till date.

HOW BEAUTIFUL ARE THE FEET

13. For whosoever shall call upon the name of the Lord shall be saved. 14. How then shall they call on him in whom they have not believed? And how shall they believe in him of whom they have not heard? **And how shall they hear without a preacher?** 15. And how shall they preach, except they be sent? As it is written, **'how beautiful are the feet of them that preach the Gospel of peace, and bring glad tidings of good things!'** (Romans 10:13-15)

Pray with us:

Boldness to tell Good News about Jesus Christ.
For safety from wild animals as we go forest villages
That we may walk in God's health and healing all the time.
For provision of funds to fix two gates and construction of water tank.
Provision of funds for our personal transportation, a van to go to the mission field.
